

HANDS-FREE SLIP-RESISTANT FOOTWEAR + CUSTOM ORTHOTICS

Professional Protection for Long Shifts — Only \$430

★ PACKAGE OVERVIEW

A complete, work-ready solution designed for people who stand, walk, lift, and move for 6–12 hours a day. This package combines hands-free slip-resistant footwear with functional custom orthotics for maximum comfort, safety, and long-shift endurance.

1. Hands-Free Slip-Resistant Footwear

- Certified slip-resistant outsole for wet, oily, or unpredictable floors
- Hands-free entry for fast, safe on/off
- Reinforced heel counter for alignment and stability
- Built for healthcare, warehouse, retail, hospitality, and industrial environments

2. Functional Custom Orthotics

- Precision-molded for targeted pressure relief
- Controls excessive motion to reduce fatigue
- Supports proper alignment from heel to hip
- Ideal for plantar fasciitis, arch collapse, tendon pain, and long-shift strain

MASSIVE SAVINGS

If purchased separately: \$580
