WORK BOOT + CUSTOM ORTHOTIC PACKAGE

BUILT FOR THE JOB. DESIGNED FOR YOUR FEET.

8–12 hours on concrete? Your work boots shouldn't be the reason your feet hurt. Get professional work footwear and custom orthotic support in one complete package.

WHAT'S INCLUDED

SAFETY-TOE WORK BOOTS

1 pair professionally selected and fitted for your work environment, foot shape, size, width, and orthotic needs.

FUNCTIONAL CUSTOM ORTHOTICS

1 pair custom molded to your feet for personalized support, pressure distribution, and improved comfort during demanding work shifts.

COMPLETE PACKAGE: $450

SAVE $55 WHEN BUNDLED • REGULAR COMBINED PRICE: $505

WHY THE COMBINATION MATTERS

Your safety boots protect your feet from workplace hazards. Your custom orthotics provide the **support your feet need inside those boots.** Together, they create a work-footwear system designed around **you,** not a generic insole in a generic boot.

✓ Long hours on concrete and hard surfaces
✓ Construction, warehouse, industrial & trade work

✓ Workers who need more support than retail insoles provide
✓ Professional footwear selection and fitting

STOP BUYING WORK BOOTS THAT WORK AGAINST YOUR FEET.
