

SALON & BEAUTY PROFESSIONAL PARTNERSHIPS

Your Team Takes Care of Everyone Else. Let's Take Care of Their Feet.

PROFESSIONAL FOOT HEALTH SUPPORT FOR DFW SALONS & BEAUTY BUSINESSES

Stylists, barbers, nail technicians, estheticians, and other beauty professionals spend long hours on their feet. Foot fatigue, discomfort, swelling, and footwear challenges can make demanding workdays even harder.

Foot-Fit Expert partners with salons, salon-suite operators, and beauty businesses to provide professional foot-health, footwear, orthotic, compression, and mobility solutions designed around the demands of the beauty industry.

PARTNERSHIP SERVICES

FOOT ASSESSMENTS

Professional evaluation of foot function, footwear needs, and occupational demands.

FOOTWEAR FITTING

Expert guidance in selecting supportive footwear appropriate for each professional's work environment.

CUSTOM ORTHOTICS

Individually designed support for professionals who need a more personalized solution.

COMPRESSION SOLUTIONS

Professional guidance and fitting for those who spend extended hours standing and moving.

FOOT HEALTH EDUCATION

Practical education to help your team make better decisions about footwear, foot health, and mobility.

WHY PARTNER WITH FOOT-FIT EXPERT?

A salon partnership can help you:

- Offer your team a unique wellness benefit
- Demonstrate that employee well-being matters
- Provide access to specialized foot-health expertise
- Support comfort and mobility during long workdays
- Add value to your salon or salon-suite community
- Differentiate your business from competitors

PARTNERSHIPS BUILT AROUND YOUR BUSINESS

This is **more than a referral program**.

Partnership opportunities can be customized to fit your salon, team, space, and goals. Options may include employee wellness benefits, on-site education or assessments, client education, footwear and orthotic consultations, and ongoing professional support.

THE FOOT-FIT EXPERT DIFFERENCE

**You take care of their beauty.
I'll help take care of their feet.**

Together, we can give your professionals access to the expertise and solutions they need to **move better, work more comfortably, and stay on their feet.**
