

MEDICAL & HEALTHCARE PROFESSIONAL PARTNERSHIPS

A Specialized Resource for the Patients You Already Serve

The Missing Piece Between Foot Care & Everyday Mobility

Your patients may receive excellent clinical or foot care services and still struggle with one important question:

“What should I actually wear on my feet?”

Foot-Fit Expert provides specialized **Pedorthic footwear, orthotic, compression and mobility solutions** that can complement the services your practice already provides.

Why Partner With Foot-Fit Expert?

- **Complementary, not competitive** — I focus on solutions that may fall outside your practice's primary services.
- **Professional expertise** — Board-Certified Pedorthist with 20+ years of experience.
- **Individualized solutions** — Recommendations based on the patient's feet, lifestyle, occupation and mobility needs.
- **A trusted referral resource** — Give patients somewhere to turn when footwear or orthotic questions arise.

Ideal Referral Opportunities

Patients who need help with:

Footwear • Orthotics • Compression • Diabetic & Therapeutic Shoes • Work Footwear • Mobility & Comfort

A Simple Partnership

You identify the need.

I provide the specialized footwear & mobility expertise.

Together, we can help patients move from **“I know what my feet need”** to **“I know how to support them every day.”**

Let's Talk About Working Together
