

FUNCTIONAL CUSTOM ORTHOTIC + SNEAKER PACKAGE

Expert Fit. Personalized Support. One Complete Solution.

Get personalized foot support with a **functional custom orthotic and supportive therapeutic sneaker selected to work together.**

WHAT'S INCLUDED

CUSTOM FUNCTIONAL ORTHOTICS

Individually designed around your feet to provide personalized support, pressure management and improved stability.

ORTHOTIC-FRIENDLY THERAPEUTIC SNEAKERS

Supportive footwear selected to accommodate your custom orthotics and provide comfortable, everyday movement.

WHY BUNDLE THEM?

Your orthotics and shoes work together. This package gives you a coordinated solution instead of trying to figure out the right combination on your own.

\$375 PACKAGE PRICE

SAVE \$90

Individual value: \$465

IDEAL FOR

Walking • Everyday Comfort • Work • Exercise • Active Living

May be appropriate for individuals experiencing foot fatigue, arch discomfort, plantar heel discomfort, stability concerns or difficulty finding supportive footwear.

Professional evaluation required to determine whether custom orthotics are appropriate.
