CULINARY & HOSPITALITY ENDURANCE PACKAGE

Built for professionals who spend long hours on their feet.

Long shifts demand more than a comfortable shoe.
This complete endurance package combines slip-resistant footwear, custom orthotic support, and compression to help support comfort, stability, and foot endurance throughout demanding workdays.

WHAT'S INCLUDED

01 — Slip-Resistant Footwear
A pair of professional slip-resistant footwear selected to match your work environment, fit needs, and daily demands.

02 — Custom Orthotics
A pair of custom orthotics designed around your individual foot mechanics and support needs.

03 — Compression Socks
Two pairs of compression socks to support lower-leg comfort during long periods of standing and walking.

04 — Professional Fitting
Personalized footwear and orthotic fitting by a Board-Certified Pedorthist—not a one-size-fits-all retail approach.
