

CULINARY & HOSPITALITY ENDURANCE PACKAGE

Built for professionals who spend long hours on their feet.

Long shifts demand more than a comfortable shoe.

This complete endurance package combines slip-resistant footwear, custom orthotic support, and compression to help support comfort, stability, and foot endurance throughout demanding workdays.

WHAT'S INCLUDED

01 — Slip-Resistant Footwear

A pair of professional slip-resistant footwear selected to match your work environment, fit needs, and daily demands.

02 — Custom Orthotics

A pair of custom orthotics designed around your individual foot mechanics and support needs.

03 — Compression Socks

Two pairs of compression socks to support lower-leg comfort during long periods of standing and walking.

04 — Professional Fitting

Personalized footwear and orthotic fitting by a Board-Certified Pedorthist—not a one-size-fits-all retail approach.

COMPLETE PACKAGE

\$497

One package. One professional fitting. A complete approach to long-shift foot support.

IDEAL FOR:

Chefs • Line Cooks • Servers • Bartenders • Kitchen Staff • Restaurant Managers •
Catering Professionals • Hospitality Teams

Professional guidance—not simply a product sale.

Foot-Fit Expert brings clinical pedorthic expertise to the intersection of footwear, orthotics, compression, and mobility.
